

WHO AM I?

- In the summer, I live in the forest, but when it gets cold, I come into the house with you. I wear beautiful jewellery, but I also have wonderful green hair. When the time comes, you'll be excited about the new toys underneath me.
- I am round and brightly coloured. I move up and down, right and left, forward and back. You can wear me, throw me or step on me, but you shouldn't move me near a window.
- I live in the sky. I burn all day and say 'Good night' to the moon. Without me, there would not be much light.
- I don't need batteries, electricity or gear wheels to wake you up in the morning.
- I live in the water, you can use me to protect you from the cold and the wet. If you don't know me well, you might feel sick during the ride.
- It belongs to you, but your friends and family use it more.
- I have lots of holes but I'm still full of water. I get heavier and wetter with every drop.
- I appear at night but you don't have to call me, but I disappear during the day, even if you miss me.
